Ventura, CA 93006-3218

Good day,

My name is Joe Richardson. I am a founding member and current secretary of the Vietnam Veterans of Ventura County. I am also the scholarship chair. It is in that capacity that I am writing this letter.

I will soon be sending out the information and forms for application to the Sgt James M Ray scholarship for year 2017.

I have a list of names and emails for the persons most involved with scholarship and career counseling that has been used in the past and was used last year. My reason for this letter is to verify the correct individual to send the information to and provide for the highest dissemination of applications.

Our group has had a very successful year fundraising for the cause and it is our intent to make available a minimum of three decent sized awards this year (final approved number and amounts will be in the info package).

My contact information is:

It is my desire to have a response from each school or district that I reach with this letter/notice of the identity and email of that individual most involved with scholarships and career planning, to allow me to meet my goal of making this scholarships' availability known to as many as possible.

You're attention to this matter is greatly appreciated.

Respectfully

Joe Richardson
